Note: 3 teachers in Y2 & Y6.

The school is part of the **Greater Manchester Academies Trust**, a copy of the scheme of delegation is available on the website. The school operates a **full local governing board**, the chair of which sits as a trustee on the trust board. The trust is run by an Executive Principal, Mr John Rowlands.

Local context:

The school is situated on the border of the Harpurhey and Collyhurst LSOAs, around 2 miles north of Manchester City Centre.

There are some contextual barriers which should be acknowledged:

- High rates of unemployment and historical non engagement/completion with/of education
- Low health levels - the highest all age, all cause mortality rate of any LSOA in 2019
- High crime levels (see below)
- High levels of temporary, below standard, or illegal housing, including HMOs
- High levels of first language other than English
- High levels of mental health difficulty
- Low vaccine uptake levels
- Low levels of oral hygiene and dentist engagement

Social Grades

The social grade of people in Harpurhey is the socio-economic classification used by the Market Research and Marketing Industries, most often in the analysis of spending habits and consumer attitudes. Originally developed by the National Readership Survey to classify their readership, they are used by many organisations and companies for market research.

Classifications for social grades are based on the occupation of the head of the household. [\[Click to show\]](#):

At MCPA, none of the above are seen as excuses for under performance. They are a reason to do better.

The intake of MCPA is mostly local to the school. It is representative of the cultural, racial and religious diversity which we see and value in North Manchester.

Current **attendance** is extremely positive, given the challenges of the pandemic. MCPA, along with much of North Manchester, has been severely hampered by COVID-19 cases and contact isolation. Current whole school attendance is around 95%. However, persistent absence is an area of focus for the school (currently around 15% Y1-6). Much of this is due to covid absence counting as illness.

Staffing and Leadership at the school are stable. There are 2 teachers and 2 TAs in each year group, with additional staff to provide targeted support and cover PPA.

The school has a Headteacher, Alex Reed, who is currently also Interim Associate Headteacher of Collyhurst Nursery School. There are 2 Deputy Headteachers - Nazia Bashir, with a focus on the quality of education, and Ian Williams for inclusion. There is an Assistant Headteacher, Hayley Carty, who is responsible for the quality of early education - Hayley currently spends half of her week at Collyhurst Nursery School, supporting their development. The Academy Business Manager, Jeanette Wong, is also part of the senior management team.

The senior leadership team is made up of the SMT, plus the Associate Assistant Headteacher, SENDCo and Phase Leaders.

The school's designated safeguarding leader is Lorraine Carlin, this is her full-time role.
