A message from Mr Reed, our headteacher:

Dear families,

thank you for all your support in helping us to have a positive first week back in school. Attendance has been good and we're still working hard to get the number of lates down.

This week saw our debate club head out to Manchester University for their first debate mate experience, a fantastic opportunity! Next week, some of our Y6s will be out on residential Monday-Wednesday, with the rest of the Y6s who opted not to go attending school as normal. They will be doing some taregeted boosters and having some work experience helping in other classes and around school.

Thank you to everyone who engaged so positively with our timestables challenges over the holidays - there will be an announcement of winners in assembly today. Please remember that you can access TT rockstars and Numbots throughout the week too, so keep practising those number facts!

Today we offically say goodbye to Mrs Torkamani as she works our last day with us, before moving to her new teaching role at a college. We are really grateful for all Mrs Torkamani's hard work, dedication and the love she has shown our children over the year and wish her the very best.

Thanks for your support
Alex Reed

Our after school club

Miss Leary has been doing a great job leading our after school club. Last night, we made chocolate apples for Bonfire night, the children decorated and wrote their names on the skewers they really enjoyed making these.
