A message from Mr Reed, our headteacher:

Thank you for all your hard work this week with attendance and punctuality. We really appreciate what a challenge the bus strikes will pose to families and are so proud of you finding alternatives to get your children into school, we do know how tricky this has been.

We had a brilliant music assembly this week, please do consider signing your children up to

As you will know, the weather hasn't been good this week. We live in Manchester, so it's probably not getting any better. Please make sure that your children have a waterproof coat as we will get them outside whenever we can.

Have you got the Trackit Lights app? You can see all your child's points on this.

Don't forget to order your child's dinner on school spider. If there is no dinner ordered, we will contact you to ask you to bring one in.

Song of the week

“Life Is Always Better” by PopUK TV is a wonderfully uplifting song that’s perfect for our children to listen to and sing along with. Its cheerful melody and simple, catchy lyrics encourage positivity, joy, and togetherness. The song promotes an optimistic outlook, reminding our young listeners that life feels brighter when we focus on the good things around us and share happy moments with others. With its encouraging message and fun style, MCPA hopes it spreads happiness and inspires children to see the best in everyday life.
