A message from Mr Reed, our headteacher:

What a fantastic week we have had in school and beyond!

My personal highlights have been:

Y3s engaging brilliantly with their ancient Egyptian workshop, making their own ancient artefacts.

Y6 Maple having a great week out with Into University and receiving two complements from members of the public on their brilliant behaviour.

Welcoming lots of guests to our school who have been really impressed with how calm and focused our pupils are.

And of course our pupils' excellent attendance, which puts us in the top 4 schools in North Manchester - please keep it up!

Have you got the Trackit Lights app? You can see all your child's points on this. You can also see what their current attendance percentage is.

Don't forget to order your child's dinner on school spider

Spotlight on: School Street

MCPA is one of the few schools in Manchester to be given School Street status. This means that our street, Parkstead Drive, is closed to vehicles at drop off and pick up times.

This closure is enforced by a traffic order, which means that by driving past the signs, drivers are breaking the law and risk a fixed penalty notice. We have asked for traffic wardens to come randomly over the next few weeks to issue them.

On average, each day, we have approximately 13 blue badge holders who park on the school street. Whilst the restrictions do not apply to blue badge holders, we would ask that only those who really need to park on the street do.

Parking close to school creates a risk of children being hurt, and increases pollution which all our children breathe in.

So please, don't drive through the signs. Park further away from school and walk in.

Song of the week

To celebrate Play Your Ukulele Day on 2nd of February, we recommend listening to "Carmen" on the ukulele performed by Taimane, a talented musician from Hawaii.

The ukulele is a traditional Hawaiian instrument, and Taimane shows just how powerful and exciting it can be.

In her performance, she plays fast, slow, loud, and soft sounds that tell a story through music. Even though there are no words, you can feel the energy and emotion.

Watching Taimane reminds us that music can come from different cultures and that practice and creativity can turn a small instrument into something amazing.
